THIS WEEKS PERSONALITY

JAG MURRAY

We asked 23-year-old Jeffrey (JAG) Murray to give us some information about himself for this column. The answer we print below, just as we required it—"Straight from the 'horse's' mouth."

"My present hobbies are swing records, members of the opposite sex and engines (the best of which is at present lying in my Buick). My pet hobby was Cycle Racing which I did with the Crusader Cycling Club. In 1946 I won the Junior Championship, broke the 10-mile record and was hill climb Champion, apart from which I was a dead loss.

The only other information I can give you is that I have been convicted of driving a car in a dangerous state and fined 30/- on my way home from a somewhat drastic meeting at West Ham. Any other information may be obtained from the files at Scotland Yard or the Chinese Refugee Fund.

RULES OF RACING

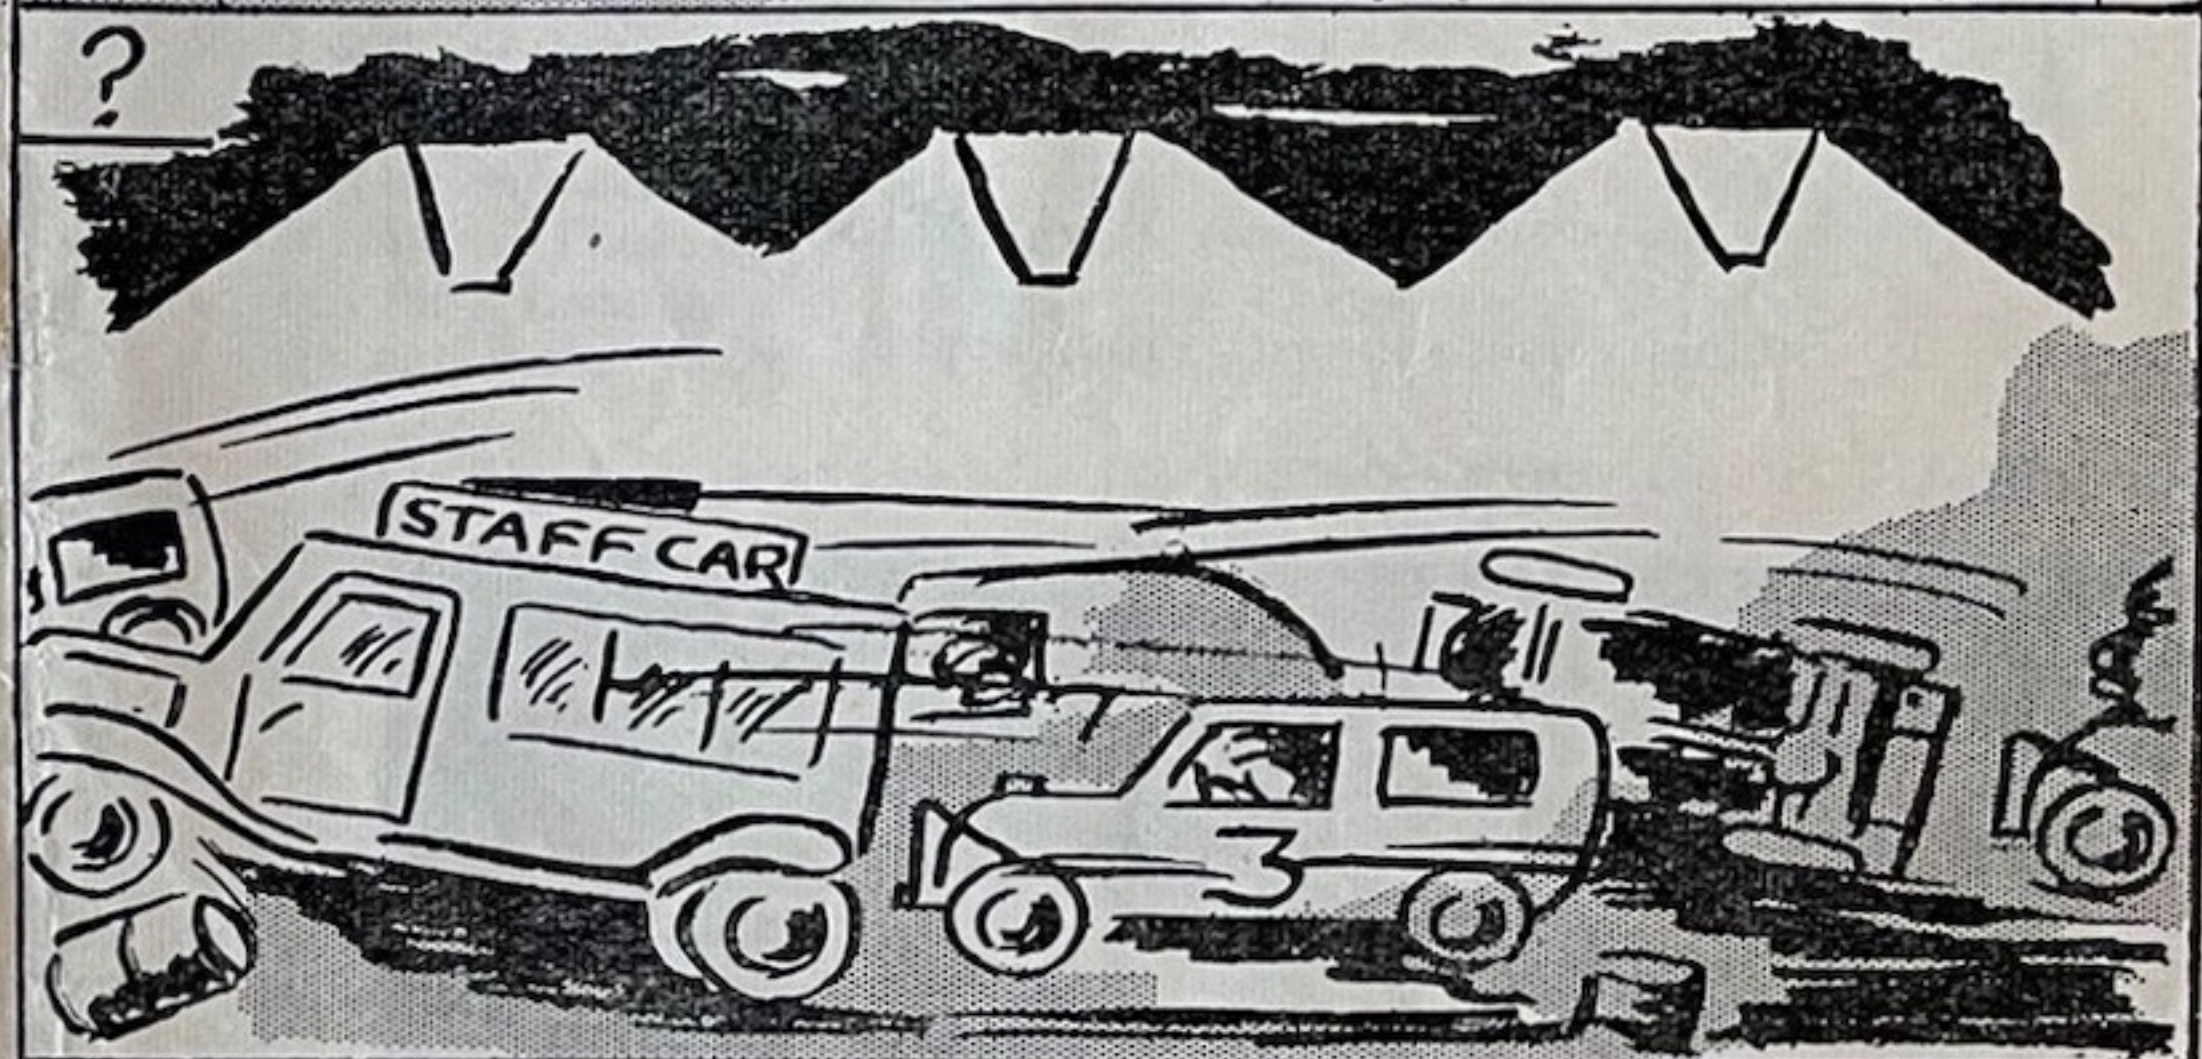

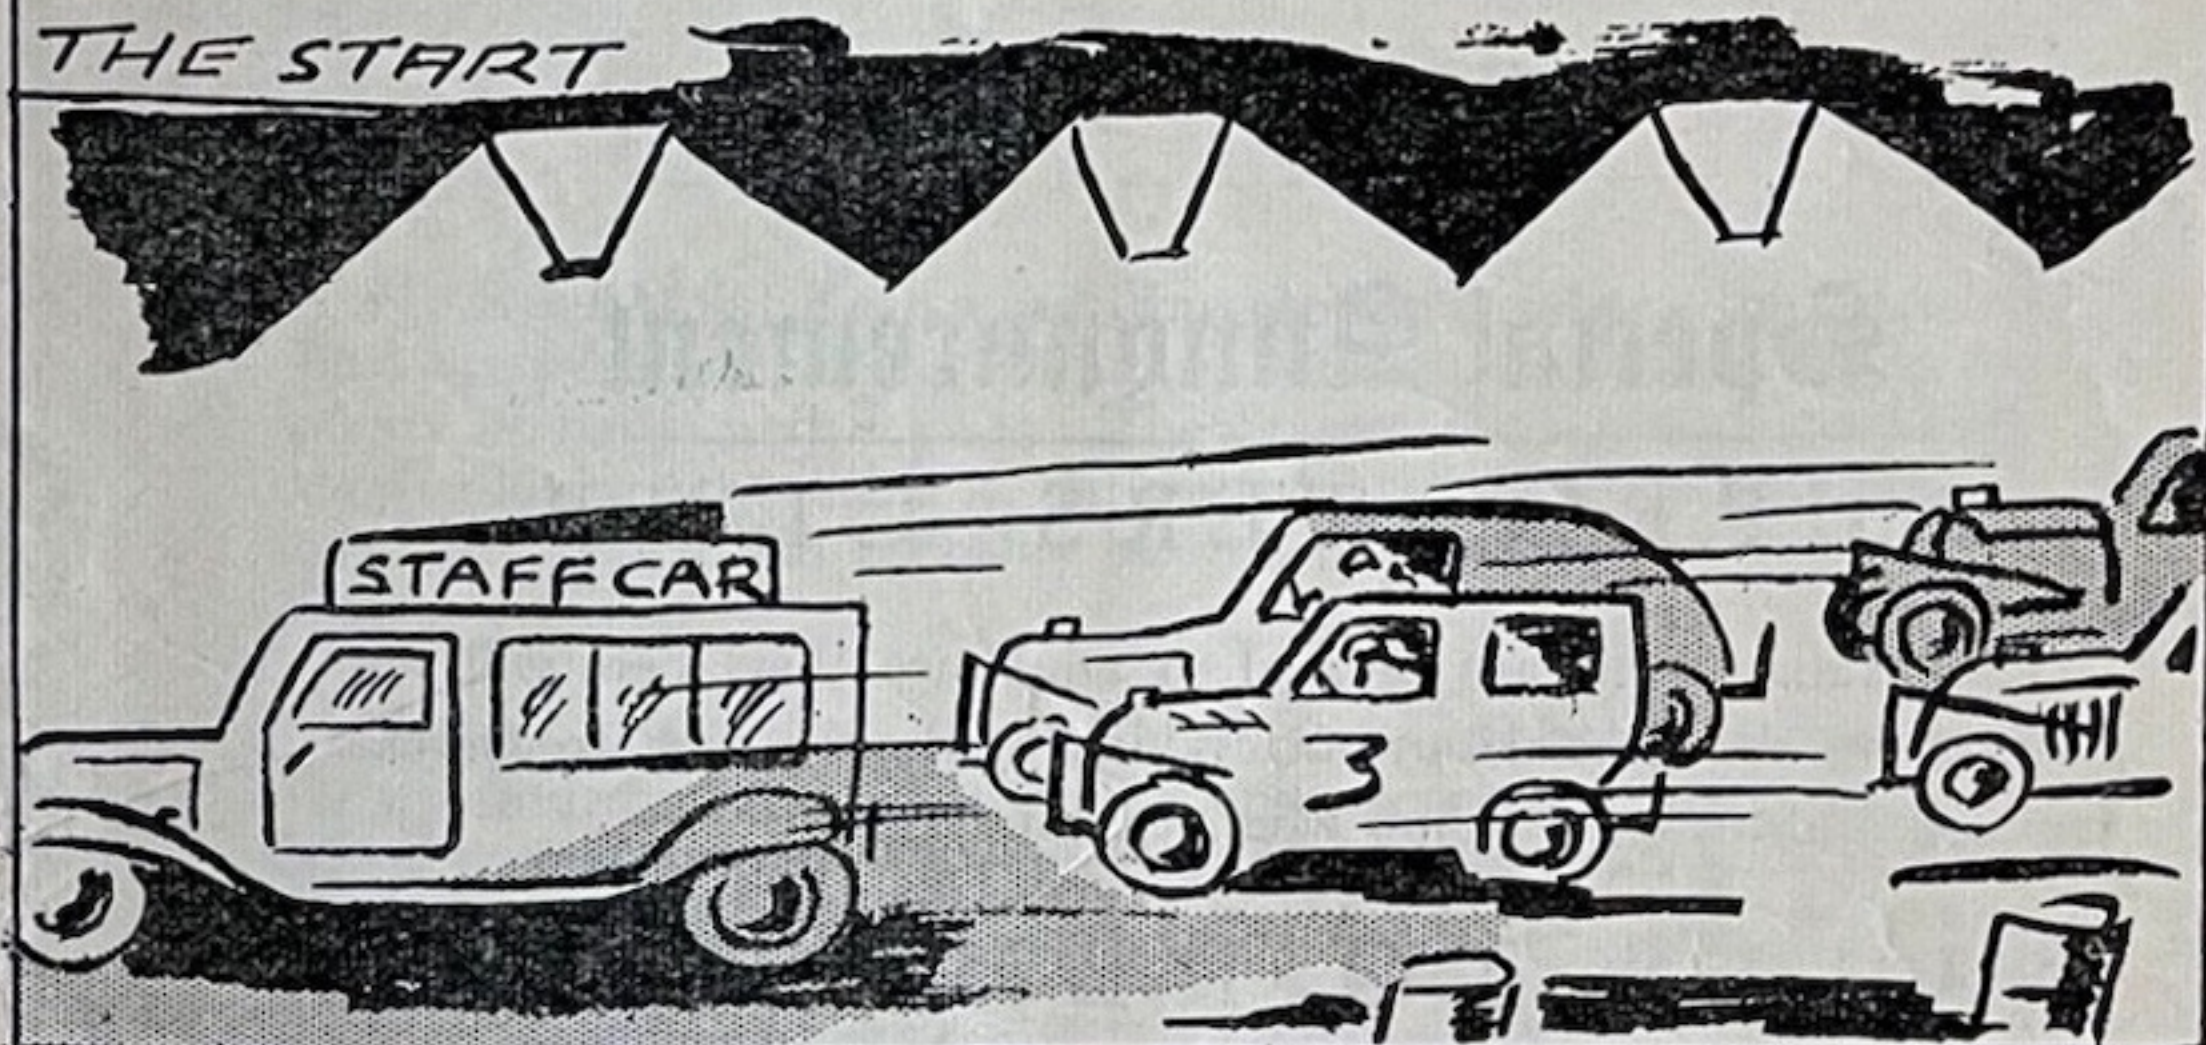

- 1 All drivers must wear crash helmets and have their safety belts securely fastened.
- 2 No driver may drive with his arm or other part of his body outside the car.
- 3 There may not be more than one occupant of the car.
- 4 All cars must start under their own power.
- 5 Cars must line up as directed by the Starting Marshal in the order in which they have been drawn.
- 6 Cars will move off to a rolling start together and must not change position until the Starter drops the Green Flag.
- 7 Heats will be run over twenty laps, the Final and Consolation Race over 25 laps.
- 8 Cars may drive where they like in any direction on the track or on the green, but a lap only counts as completed when a left-hand circuit has been made going outside both posts at the end of the green and finishing at the line of a projection thereof to the centre.
- 9 If the Yellow "Caution" Flag is waved drivers must proceed with care without changing positions until the "All Clear" is given by the waving of the Green Flag.
- 10 If the Red "Danger" Flag is waved or the Red danger lights are switched on all drivers must stop immediately.
- 11 The Chequered Flag will denote the end of the race.

TRACK TOPICS

STAND BACK! Keep away from the safety fence—the Norwich Boys are here and if they live up to their reputation we are in for plenty of bangs and crashes. The Staines Boys are all prepared, they've had a Spy racing in the enemies' country to study form so to-night's match will probably be won on team tactics so look out for the spoilers!

I see the Management have laid on some really tip top meetings for the future, starting off with a grand afternoon's racing on Whit Monday at 2.30 p.m. The Directors have kept faith with you by running events as advertised whatever the weather. Now it's up to you to show your support by turning up in force. If anyone wants posters, etc., please write to me (Goggles) care of the Stadium and I will see that your requirements are met.

The Supporters' Club is growing fast and badges and penants are in stock. Those of you who haven't yet seen a penant should look out for a rampant red bull on a yellow background—just the thing for car, motor cycle, bicycle or bedroom wall.

This Track prides itself in being the first in the field with new ideas and on Whit Monday we are staging, for the first time ever, an open pairs race. Some of our crash drivers have entered this race and the excitement should be terrific.

Be seeing you,

O-O (Goggles).

JOIN YOUR SUPPORTERS' CLUB !

YES, we already have a Supporters' Club organised—now all we want are the Members. Become a Supporter of the Staines Bulls, the local smash and bash boys, and enjoy the benefits that will be available to Supporters' Club Members. You will have the use of the very fine Stadium Club, with its licensed bar, a very beautiful enamelled badge to wear and, if you wish, a penant for your car. For those fortunate people who are not lumbered up with their own cars, we shall be organising coach trips at special reduced fares for away matches. Furthermore, it is proposed to form a Committee, who will have a say in the organising of our programmes, and if you would like to become a member of the Committee please put your name forward, but in any case, complete the application form and post it to us without delay.
